

INNOVATING VISUAL HEALTHCARE

Building on its 100+ years of experience, Agfa HealthCare develops innovations that offer the ease of use customers need to maximize the potential of their solutions, with designs that keep the user and customer in mind. With its strategy of one platform for IT and one platform for imaging, the company is doing exactly that: simplifying even while enhancing performance.

Visit us @RSNA 2015, booth #1315, South Hall.
