

Agfa HealthCare financial services: a healthy approach for hospitals and healthcare facilities

Customer Finance, dedicated to healthcare

Agfa HealthCare can help your medical technology plans become reality, with an integrated range that includes not only the solutions themselves, but the financial services to make it all happen.

A long-term player in the healthcare field, we offer you flexible finance options customized to your specific needs and situation. Whether you are a private or public institution, large or small, we can give you tailor-made advice to create a finance solution that's right for you.

We're dedicated to helping you balance your technology needs with a healthy bottom line.

Just for HealthCare, from a healthcare player

As an experienced player in the healthcare sector, we can offer you more than “generic” financial services: a flexible, customized finance solution that’s right for you. Whether you want to add medical technology, IT hardware or software, or communications, archiving or information systems to your facility, together we can make your project happen.

We also offer packages that can bundle the solutions, services, delivery, transportation, installation and more into a 100% finance solution. Bringing all the elements together makes your accounting and documentation procedures smooth and trouble-free.

And our financial services can also take additional options into consideration, including adding maintenance and future upgrades to your financing solution, giving you a clear view of your costs and payment schedules.

Your finance, your way: tailor-made solutions

When you choose Agfa HealthCare as your finance solution, you are choosing dedicated finance professionals with broad financial experience as well as healthcare sector insight. You will have a contract that creates the optimum set-up between your operational and capital expenditure budgets.

Our experts will also work with you to determine the best payment scheme and finance mix for you: from variable payment schemes and bridge financing, to special repayments and flexible or longer contract periods. All our financial services allow for your country’s legal regulations as well as balance sheet requirements.

A reliable financing provider for greater peace of mind

Using Agfa HealthCare as your medical technology finance provider makes good commercial sense, offering you an additional finance channel to your principal bank or provider.

And we are committed to getting you up-and-running with your new medical technology, so our approval process helps make your plans a reality with a very fast turnaround time.

Your technology and finances, fit and healthy

When you want to take your medical technology further, Agfa HealthCare is there: from the right solutions, to customized financial services. Contact your Agfa HealthCare representative to discover, with no obligation, how we can be your partner to keep your technology and financial state fit and healthy.
